TUESDAYS AND FRIDAYS

FINAL RALLY

Of Lincoln Democrats To Be Held Here Saturday Afternoon.

The final rally of the hosts of Democracy will be held at the court house here on Saturday afternoon at 2 o'clock. Every democrat in Lincoln county should be present and hear the appeal and discussion of those issues which are of so much importance to their country.

As announced in the last issue of the Interior Journal, Judge John W. Hughes, of Harrodsburg, will be the principal speaker. Many Lincoln citizens have had the pleasure of hearing the Judge on previous occasions and will of course avail themselves of the opportunity to do so again. He is an educated man, has made a study of the practical and needful things of life and is as fine a talker as can be found in this section of the state. It is not often that the voters have the opportunity of hearing the practical farmer, the successful business man, the able lawyer and finished speaker all in one. But such will be heard in Judge Hughes. For years he has owned and successfully conducted a large farm in Mercer county, finding time always to raise his voice in defense of democracy and is now as he has been for a long time, Judge of Mercer county.

Let next Saturday be a gala day for Wilson and Marshall, let it be one long to be remembered and let the crowd which assembles here then, prove a record breaker in size and in its enthusiasm. See to it that you are here at 2 P. M. and see to it that your neighbor comes along with his neighbor's neighbor. You will profit by your presence and be entertained by Judge Hughes.

RUN OVER BY HORSE

And Miss Carrie Naylor Has Narrow Escape From Death

Preachersville, Ky., Oct. 31.—Miss Carrie Naylor, youngest daughter of Mr. and Mrs. John Naylor, had a most miraculous escape from instant death, last Sunday evening while on her way to church, when she was run over by a horse ridden by Master Frank Ballard. She with her brother, Thomas Naylor, was walking near the residence of R. T. Pettus, when they heard the rattling horses and being apprehensive of danger, crowded close to the fence in hopes of escaping injury. Almost immediately the running horses, one of which was ridden by Virgil Jones, was upon them. At this time Mr. Naylor was walking behind his sister and was knocked over by the Ballard boy's horse which also struck the young lady in the back, knocking her unconscious and prone upon the ground.

She was hurriedly placed in a buggy and taken to her home where her injuries received attention. There were quite a lot of bruises about her body a deep gash in her head but luckily no bones were broken. Some idea can be had of how close the call when it is known that one of the young lady's slippers and side combs were thrown some distance away, her belt cut in two pieces, her hair ribbon knocked off and a gash cut in her head, which most likely was made by the calk of a horse shoe. Had the young lady been two inches taller or had the horse made his leap that distance shorter, she would have in all probability been killed.

Sam Owens' Sale.

The sale of S. M. Owens, near McKinney, Tuesday afternoon did not draw as well as Mr. Owens had expected nor like the class of stock which he had, would deserve. A number of handsome mares with colts at their sides were taken down because of small bids and several geldings, sound and well broke, and the best horse blood in the state, were led back to their stalls for the same reasons.

Eight calves went to A. L. Rankin at \$7 and 2 yearling steers at \$4.80; C. R. Brawner bought one steer at \$4.40; 2 calves went to Virgil Campbell at \$8.50; one cow to G. W. Koger for \$34.25; one to Jack Gover for \$31; one to Greeley Lutes for \$38; 5 heifers were bought by J. D. Eads & Sons at \$16.25; pair yearling mules to Virgil Campbell at \$55 each; horse mule to same party at \$50; 4-year-old mule to J. B. Honaker for \$120; 5-year-old mule to same party for \$90; bay gelding to Ben Ferrell for \$90; pair 4-year-old mare mules to J. B. Honaker for \$375; brood mare to W. L. Lawson for \$155; yearling filly to W. H. Murphy for \$75.

Mr. Owens had advertised his beautiful farm of 265 acres, for sale, but bidding was so unsatisfactory on his other property that he did not offer the place publicly, saying, however, that he would be glad to show it to anyone privately who contemplated buying land.

I have lost two hounds, one medium sized white and black female, and one good sized black and tan dog. Finder will get reward. J. Thos. Hackley, Jr. 84-3.

WHIRLWIND CAMPAIGN

Over Lincoln For Democracy Engenders Much Enthusiasm

Some splendid work for the democratic ticket was done in the first day's whirlwind auto campaign over Lincoln county Thursday. Two cars full of speakers left town promptly at nine o'clock. Hon. W. B. Smith, of Richmond, came over the night before, and the autoists met Hon. J. W. Newman, State Commissioner of Agriculture, at Junction City, and both did the principal speechmaking during the day. Congressman Harvey Helm also took his turn at the bat, and those who heard him say that he made the best speeches of his career, his effort at Moreland being particularly effective.

From Shelby City where the first stop was made, the swing was to Milledgeville, then to Moreland and Hustonville, and on to Mt. Selem and McKinney, and from thence to Turnersville. At each point good crowds were present and greeted the speakers with enthusiasm. The last stop of the day was at Hubble, but the democrats there had become confused as to the date and time, and so the crowd was the smallest of the day. Everywhere much enthusiasm was met and indications amount to anything, Lincoln is going to give the heaviest vote in her history for a democratic candidate for president.

Accompanying the speakers were W. S. Burch, K. S. Alcorn, H. R. Saufley, J. P. Bailey, S. T. Harris who did the introducing at different stops, and the two cars were driven by Grimes Beazley and Will Hocker. A prompt start was made Friday for the second day's campaign the itinerary being as follows:

Leave Stanford 8 A. M., arrive Waynesburg 9:30.

Leave Waynesburg 10 A. M. arrive Kingsville 10:40.

Leave Kingsville 11:30 A. M. arrive Highland 12.

KILLED BY A NEGRO

Husband of Former Stanford Girl Murdered in Oklahoma.

News has been received by friends here of the murder of W. E. Harlan, at Wagoner, Oklahoma. As Mr. Harlan married Miss Ada Shelton, formerly of this city, the details of the unfortunate affair are of much interest here and her many friends will extend heartiest condolences in her hour of trouble. The Courier-Journal printed this account of the killing of Mr. Harlan, as he was a former Louisville man:

The body of William E. Harlan, a former resident of this city, who was murdered by a negro employe, on his farm, near Wagoner, Okla., last Thursday, will arrive in Louisville this morning and will be taken to the chapel of Lee Cralle, undertaker. The funeral will be held at the Walnut street Baptist church, Third, and St. Catherine Streets, this afternoon at 2 o'clock. Burial will be in Cave Hill cemetery.

Mr. Harlan was a prominent resident of the section in which he resided and according to press dispatches received from Muskogee, there is much feeling against the negro who shot him. Mr. Harlan at the time of his death was justice of the peace, election inspector and owner of two large pieces of farming property in Wagoner county.

He was shot while driving one of his wagons. The negro, to whom he had advanced money on wages, approached and asked for an additional sum. He was told to wait until the end of the month for his wages, whereupon he is said to have fired upon his employer. He escaped but was arrested later.

Mr. Harlan was a native of Sulphur, but most of his life was spent in Louisville. He left this city three years ago for Oklahoma. He formerly was employed by the Louisville & Nashville railroad. He is survived by his widow, who formerly was Miss Ada Shelton, of Stanford, a daughter, his mother, Mrs. Ida Harlan, and a sister, Mrs. Harry Trent, John Harlan, who is connected with the Tenth street station of the L. & N., is an uncle.

A Good Woman Gone

Mrs. Arthusa Furr, wife of Wm. Furr, aged about 40 years, died at her home at Flat Wood, Garrard county, Monday after a short illness of pneumonia fever. Deceased before her marriage was Miss Arthusa Cloyd and a school teacher. Mrs. Furr was a consistent member of the Baptist church and a Godly woman with a large circle of friends, who mourn her loss. She is survived by her husband and three small children. Burial occurred at Crab Orchard.

John Miracle, of Varilla, Bell county, was killed by falling from a moving freight train on which he was working. Miracle had been in the employ of the L. & N., as a brakeman and lost his foothold and fell between the cars.

WHY NOT ELECT WILSON?

Influential Republican Paper Asks Its Readers a Leading Question

The Chicago Post, an influential independent, Republican newspaper, propounds this question to Republicans:

"Why not Wilson?"

"This question is addressed particularly to Republicans. Governor Wilson suits the Democrats down to the ground, suits all Democrats who are worthy to be called Democrats. But in an emergency like this, why should not Wilson suit a large part of the Republicans as well?"

"Way not Wilson?"

"Governor Wilson is a thoroughbred American gentleman, not only in the accident of birth, but in his every ideal, impulse and principle. That should be the first requirement of every presidential candidate."

"Governor Wilson is a tried and trustworthy executive. His brilliant record as Governor of New Jersey proves that."

"Governor Wilson is an eminently sane and sensible man. He is an eminently honorable man. He has dignified every place which he has held. He has performed a splendid public service by lifting the present campaign out of the riot of mud-slinging with which Roosevelt began it."

"In every personal characteristic, Governor Wilson is equipped to be any man's president, without regard to whether that man is a Democrat or a Republican. What, then, of his political qualifications?"

"Governor Wilson is and always has been a sensible Democrat, but he is not and never has been a silly, partisan."

"Governor Wilson stands for honor and efficiency in federal administration. So do all save those who profit by graft and inefficiency."

"Governor Wilson stands for the curbing of trusts and monopolies. So do all, except monopolists and their defender, Theodore Roosevelt."

"Governor Wilson stands for a prompt and steady downward revision of the tariff. So do nine tenths of the people of the United States."

"Governor Wilson believes in a more radical tariff revision than do a large number of the rank and file of Republicans. But Governor Wilson is the only candidate who, if elected, will permit the revision of the tariff at all."

Came Home to Vote for Wilson

Joe B. Williams and wife have returned for the winter from Ochiltree, Texas. Mr. Williams is a West End democrat and came all the way from his Western property to vote for Wilson and Marshall. He says that Texas will roll up the largest majority next Tuesday it has ever given. Crops of every description he says, are the best in years and the wheat so far is excellent. Timely rains have brought it forward and the farmers are in fine shape to go through the winter.

\$1 for the Largest Potato

Several large Irish potatoes have been brought to the I. J. office recently, and so much friendly competition has been aroused as to who has the largest that the I. J. will give a dollar bill to the one who brings in the largest potato by court day, which is November 11th. On that day the potatoes will be taken to the store of T. D. Newland next door and weighed and the one proving the heaviest will get the dollar bill. Potatoes entered for this prize will become the property of the I. J.

M. today, Wednesday, at White's Mill. Rev. English at close of meetings highly complimented our people on good order and punctual attendance.

BETTING TWO TO ONE

Roosevelt Carries Casey, Says Middleburg Reporter.

Middleburg, Oct. 31.—The big republican "blow out" at Liberty Saturday is said to have been a "blow out" sure enough. There is said to have been a fairly good crowd present but it was composed mostly of Bull Moosers, who were there for the "loaves and fishes" that were promised to be more plentiful than on one occasion when our Savior fed five thousand. E. T. Franks and Bob Davidson were the only big guns present, and it is said they did not shoot very accurately, as the applause was not at all general, only coming in spots and small spots at that. Senator Bradley was billed for a speech but did not show up, perhaps he had not forgotten a former occasion when he was down for a speech at this same Liberty. That right on the eve of the moment he had a severe attack and had to run away. Anyway he would have done but little good had he been there as the breach between the Moosers and the Standpatters seemed to have been widened and the betting is two to one now that Roosevelt carries the county over Taft.

Mrs. O. L. Wilson, of Tallahassee, Fla., is visiting her father and other relatives.

Dr. C. C. Weeks and brother L. D. Weeks, of Washington, D. C., are here visiting old friends.

The band went to Liberty Saturday and played for the republican rally, and was the best part of the whole thing, so say those who were there.

The protracted meeting at the Baptist church, announced some time ago, began Saturday night. Rev. Dotson, of Hopkinsville, arrived Saturday afternoon and is doing the preaching. Good crowds are in attendance at night services, and the meeting is starting off well. Rev. Dotson is a fine preacher and is preaching interesting sermons. He is a man with a big mouth, and he calls things by their right names. He seems to be a very earnest man, and doesn't shun to declare the whole counsel of God. The meeting will run for two weeks or more.

"Two Merry Tramps."

"Two Merry Tramps," that familiar musical comedy, will be played at the Stanford Opera House. J. K. Vetter is sending this truthful and popular entertainment on its eleventh seasons travels and has limited its presentation to one company, which in its personnel represents a judicious distribution of the various characters; among those who have shown their superiority in previous cast of this play, J. A. Weaver as Artie Voelvine alias Prince Newfoundland, who is mistaken for a real live prince and who is on a lark, retains his humorous impersonation, ably assisted by Billy Stanford, as Clarence Banjorine. Opera House Tuesday, Nov. 5.

Carpenter—Williams

Preachersville, Ky., Oct. 31.—Pendleton B. Williams, of Lancaster, and Miss Fannie Carpenter, of this place, drove to the Methodist parsonage Saturday evening where Rev. J. E. Roberts said the magic words which made two fond hearts one. Mr. Williams is a son of Mr. and Mrs. John Williams, of Garrard, who lived near here last year, while his bride is a daughter, of Mr. and Mrs. S. D. Carpenter and quite handsome. We know the groom to be a hard working, industrious young man and wish to congratulate him on winning so fine a companion for life.

Col. Jack Chinn has moved from Mercer to Woodford and bought a farm and country store.

MERCER MAN

Charged With Fearful Crime. Is Feigning Insanity.

Harrodsburg, Ky., Oct. 31.—The trial of Thomas Devine, charged with a crime against his daughters, which was to have begun yesterday was postponed until the April term of the Mercer Circuit Court, as one of the most important witnesses is unable to appear. This witness was Miss Eva Freeman, aged 19, who lived at Rose Hill, near the home of the Devines. She was present Monday in perfect health, but met with a serious accident when returning home in a buggy with two others. The horse shied and upset the vehicle, throwing the occupants out. Miss Freeman lodged on a stone fence and physicians say her backbone was fractured and that there is only a bare chance of her recovery. Her death may occur at any hour. With the exception of her head and fingers her body is completely paralyzed.

It required five special Deputy Sheriffs besides the Jailor to get Devine from his cell into the court room and back into the jail.

When the case was called the question of the prisoner's sanity was raised and it was decided first to have a jury summoned to inquire into his sanity. At 1 o'clock a crowd of several hundred people had assembled in front of the opera house to get sight of the prisoner. On nearing the court room door Devine made a final desperate effort to resist being taken inside. He was seized by six strong men, lifted off the ground, carried into the house and placed in a chair facing the jury, with a guard on each side holding him. A Juror passed too near the prisoner and Devine gave him a vicious kick, which came near sending the jurymen to the floor.

Mrs. M. L. Forsythe, Horace Witherspoon, Carroll Price, T. O. Meredith and John Robards, all of this city, composed the medical staff of witnesses, and about a dozen other citizens also testified. All during the proceedings officers took turn about holding Devine in his chair.

The jury rendered a verdict after a few minutes' consideration that Thomas Devine was sane, thus verifying public opinion. His two daughters charge him with the parentage of their children.

Quarantine on Horse Stock

Live Stock Inspector Bledsoe Bailey has received official notification from the state authorities of a quarantine against horses mules or jacks from Kansas and Nebraska, where there has been a continued spread of the disease somewhat similar to cerebro-spinal meningitis. Veterinarians are unable to handle the situation there, the bulletins to the local inspector says and are unable to say positively whether the trouble is contagious or not. This quarantine is ordered against the stockyards of St. Louis, Kansas City, South St. Joe, Chicago, and East St. Louis, and Indianapolis, and the shippers of all stock into Kentucky must make affidavit that such stock has not been in or passed through Kansas or Nebraska within a period of 60 days.

Vice President Sherman Dead

After a long illness, growing acute in the past few days, Vice President James Schoolcraft Sherman died of Bright's disease at his home in Utica N. Y., at 9:42 Wednesday. He had been sinking since early morning, but rallied about 7 P. M. the apparent improvement being of short duration only. Mr. Sherman was the twenty-seventh Vice President and a candidate on the Republican ticket for re-election.

Flagged Train With Shirt

Tearing his shirt from his back an Ohio man flagged a train and saved it from a wreck, but H. T. Alston, Raleigh, N. C. once prevented a wreck with Electric Bitters. "I was in a terrible plight when I began to use them," he writes, "my stomach, head, back and kidneys were all badly affected and my liver was in bad condition, but four bottles of Electric Bitters made me feel like a new man." A trial will convince you of their matchless merit for any stomach, liver or kidney trouble. Price 50 cents at all druggists.

Rev. J. G. Livingston will preach at Mt. Zion next Sunday morning and night.

Taft Against the Farmers.

As Gov. Wilson says the farmer feeds the country, while Congress has been feeding the trusts. He is forced to sell in the cheapest market and buy in the greatest monopoly market in the world. When Mr. Taft vetoed the bills passed by Congress to relieve the farmer of some of his burden, he struck a blow at the foundation of wealth at the country and showed how firmly he is held in the grasp of the interests. The matchless leader on the floor of the House, Hon. Oscar Underwood, says that had the bills passed, been permitted to become laws without the interference of the President, the people of this country would have saved \$650,000,000. The House passed some of the bills over Taft's veto but the Senate was like Taft, bound to his idols. Mr. Taft admitted that his party had not kept faith with the people in some of the schedules of the tariff, but when given the opportunity to correct them he failed to do so, giving the finest of pretexts. Such a course could only result in the failure of his administration. The people have lost confidence in him and he will soon go into merited retirement. A glorious day is dawning for Democracy and next March, please God, a man who believes that platforms are to stand on, and not used solely to get in on, will use every endeavor to restore to the people their control of the government.

It is always the safest plan in politics, as in other matters, to take nothing for granted. The election of the Democratic ticket seems assured but it will not be successful unless those who are for it shall cast their ballots. Victory is now in our grasp. Let every man go to the polls next Tuesday and take advantage of the greatest opportunity that has come to the people in many years to return to the control of the government.

Hubert Carpenter attended the banquet of the State Medical Association at the Seelbach in Louisville Wednesday night. He took a poll of the doctors at the table at which he sat. Eighteen of them were for Wilson and four for Roosevelt. Not one said he intended voting for Taft.

The Perfect Laxative For Elderly People

Age has its attractions no less than youth in a more serene and quieter life. But it is this very life of rest without sufficient exercise that brings with it those disorders that arise from inactivity. Chief of these are a chronic, persistent constipation. Most elderly people are troubled in this way, with accompanying symptoms of belching, drowsiness after eating, headaches and general lassitude. Frequently there is difficulty of digesting even light food. Much mental trouble ensues, as it is hard to find a suitable remedy. First of all the advice may be given that elderly people should not use salts, cathartic pills or powders, water or any of the more violent purgatives. What they need, women as well as men, is a mild laxative tonic, one that is pleasant to take and yet acts without gripping. The remedy that fills all these requirements, and has in addition tonic

TESTED AND PROVEN

There is a Head of Solace in Being Able to Depend Upon a Well-Earned Reputation.

For months Interior Journal readers have seen the constant expression of praise for Doan's Kidney Pills, and read about the good work they have done in this locality. What other remedy ever produced such convincing proof of merit?

John H. Wren, E. Main Street, Stanford, Ky., says: "I know from experience that Doan's Kidney Pills are all that is claimed for them. Off and on for several years I had severe attacks of lame back. Often I did work that required stooping and at such times the backache became much worse. There was also a too frequent desire to void the kidney secretions both day and night. Doan's Kidney Pills relieved me and have never failed to benefit me since then when I have taken them."

U. S. EXPERIMENTAL STATION AND DEMONSTRATION FARM, CO-OPERATIVE WITH DEPARTMENT
OF AGRICULTURE, BUREAU OF PLANT INDUSTRYKENTUCKY WAGON MFG. CO.,
LOUISVILLE, KY.

GENTLEMEN:

This Experimental Station desires to advise you
of its mechanical and working tests and the results of same
as applied to all farm wagons submitted to it for examination
during the year 1911.

The Standard of tests as applied to all wagons of
this construction are the same and the standard of perfection
is 100%. The Kentucky Wagon Manufacturing Company's 5 1/2
and 6 1/2 ton wagons, as submitted, produced a total percent-
age of 99.38, showing practically a perfect wagon—the
material, finish and construction; the set of wheels; the draft
of the shafts; the alignment of frame and rear wheels; the transverse
of the axle; the level of body on ball joints; the
centering of hubs, both rear and front; the perfect angle of
standard to ball joint; the uniform centering of tires on wheels;
the alignment of yoke and of tongue with king bolt and center
of rear axle (which produces a light and easy draft); together
with the heavy setting of paint, go to complete the most per-
fect farm wagon ever submitted to us for examination. We also
found that after submitting this wagon to a load of three times
the designed capacity, and letting the load remain for 72
continuous hours, the wheels of wheels and axles were equal to
the depression, which goes to prove conclusively that nothing
but perfectly live timber and material entered into its
construction.

We congratulate the Kentucky Wagon Manufacturing Co.
upon making and selling the very best farm wagon that this
Experimental Station ever had an opportunity to test.

A large crowd was attracted to

Lancaster Monday by the regular

October county court day. But the

volume of business transacted in

live stock was small, as the assem-

bly seemed more interested in a

discussion of politics than business.

Only about 200 cattle were on the

market and they were not very good

ones, being small and rough. Most

of them sold, however, at from 3 to

5 1-2 cents. A number of big cattle

have been disposed of in Garrard

to foreign buyers in the past

few days. Pence Bros., one of the

most energetic young stock firms of
